## Need Something Custom?

**We can manufacture a box to your custom specifications.** We have over 80 years of manufacturing experience to help you bring any custom packaging project to fruition. We pride ourselves on our quality, creativity and reliability. We offer a wide-range of capabilities to assist you including: die-cutting, folding and gluing, windowing, coating, laminating and printing. We specialize in both small quantities as well as large production runs.

### **We produce both set-up and folding boxes.**

- Set-up boxes: we can tight wrap or loose wrap, die-cut lids with windows, hinged lids, or clear vinyl lids. With BOXit you have a choice of different gauge/thicknesses of board and board colors; including laminating the inside of the box with a color paper.
- Folding boxes: we can produce with and without windows, papers or foils can be laminated to the boards, or we can simply print on the board. We can produce folding boxes with Auto-Bottoms, reverse lids, and many more styles.

BOXit strives to provide a one-stop experience and can also produce custom trays (either plastic or board), customized pads in different plies/thicknesses, and custom sleeves.

### **Want to add an identity to that box?**

We offer a full range of custom printing options:

- Lithography
- Flexography
- Hot Stamping
- Embossing / Debossing

We have the print capabilities to meet any of your needs. We pride ourselves on helping our customers build their brands and go after new business opportunities/markets. Your custom packaging should not only identify and brand your products—it should be your partner in selling.
